

## COMMUNITY PHARMACISTS/ PHARMACIST MANAGERS

**Only highly motivated consumer focused pharmacists need apply!**

- Do you spend too much time dispensing and too little time counselling?
- Are you currently allowed the time you need to help each and every patient or customer as best you can?
- Do you want to get out from behind the dispensary bench and enjoy more Face2Face time with your customers?
- Do you want to work in a pharmacy where you can end your shift satisfied that you really made a difference assisting people in improving their health?
- Do you want to practice in a pharmacy where your clinical knowledge and time spent with customers is valued?

If you love being a pharmacist and are looking to make a change working in a more professionally satisfying role contact us at **LiveLife!** We are always seeking customer focussed pharmacists who want to deliver exceptional customer **CARE** within a great team environment.

If you truly want to make a difference in people's lives make the call now! We promise it will be the best career move you ever made!
