

Pharmacy Internship Opportunity

We are seeking highly motivated graduates looking for their 2019 internship placement.

At LiveLife, we aim to provide **outstanding customer service and high quality professional advice** to each and every customer. We practice **forward dispensing** in each pharmacy. Our Interns are also involved in a variety of services including OTC requests from patients which will help to increase your experience and expand your knowledge. A sound knowledge of pharmacy practice and great communication skills are expected.

We have opportunities in the following locations:

- Port Douglas
- Yeppoon
- Gracemere
- Whitsundays
- Sunshine Coast

This **one-year internship** would suit pharmacy graduates who truly recognise the value in coming out from behind the dispensary counter and interacting with patients.

As a LiveLife Intern Pharmacist, your key responsibilities will include:

- ✓ Proactively greeting and engaging our patients
- ✓ Being the face of the pharmacy, walking the isles and consulting with consumers
- ✓ Using your clinical knowledge, skills and experience to provide optimal healthcare solutions
- ✓ Actively implementing PPI programs and forward dispensing
- ✓ Being an active and motivating member of the pharmacy team

You will be able to demonstrate the following:

- ✓ Ability to laugh and smile
- ✓ Be inspiring and maintain a positive attitude at all times
- ✓ Ability to fully engage with your patients as well your team mates
- ✓ Willingness to go the extra mile, enriching your patient's pharmacy experience
- ✓ Keen desire to counsel patients with your up to date pharmaceutical and clinical knowledge
- ✓ Ability to clearly communicate and demonstrate a sound understanding of medication management
- ✓ Be motivated, enthusiastic, flexible and willing

LiveLife offers in-house rewards, great training opportunities, flexible working arrangements and an attractive hourly rate. Further career opportunities may be available for the right candidates.

To apply please send a cover letter & resume to:
