

POSITION VACANT

Intern Pharmacist 2020

BOWEN, QLD

Are you a 4th year Pharmacy student who is looking for a Pharmacist Internship in 2020?

An exciting opportunity exists in Bowen for an **enthusiastic and self-motivated Intern pharmacist** to join our professional team.

We have young enthusiastic management, a strong focus on providing **outstanding customer service and high quality professional advice to each and every customer**. We practice **forward dispensing** and provide ongoing service training. You will also be involved in a greater than usual variety and number of OTC requests from visitors to the area, thus increasing your experience and knowledge.

A sound knowledge of pharmacy practice and great communication skills are expected.

Great remuneration package

Great learning opportunities & career prospects

Great lifestyle!

We form part of the LiveLife Pharmacy Group, with 40 pharmacies. LiveLife is dedicated to mentoring and training Pharmacists and exciting opportunities of management and partnership are available for suitable candidates.

The LiveLife Pharmacy network is expanding every year and are always seeking to find pharmacists who are also looking to join LiveLife in future Pharmacy partnerships. If being a Managing Partner is a future goal for you please apply for a LiveLife internship today!

Please email resumes & enquiries to recruit@livelifecentral.com
