

POSITION VACANT

Intern Pharmacist 2020

POMONA, QLD

LiveLife  **PHARMACY**

Are you a 4th year Pharmacy student who is looking for a Pharmacist Internship in 2020?

An exciting opportunity exists on the Sunshine Coast for an enthusiastic and self-motivated Intern pharmacist to join our professional team.

We have local management and have over 150 members on our team across 15 local pharmacies. All pharmacies aim to provide **outstanding customer service and high quality professional advice to each and every customer**. We practice **forward dispensing in each pharmacy**.

You will also be involved in a variety of services including HMMR's, RMMR's, medication packaging systems, and a high number of OTC requests from our locals and visitors to the area, thus increasing your experience and expanding your knowledge.

A sound knowledge of pharmacy practice and great communication skills are expected.

Great remuneration package

Great learning opportunities & career prospects

Great lifestyle!

We form part of the LiveLife Pharmacy Group, with 40 pharmacies in locations including Port Douglas, Mission Beach, Airlie Beach, Yeppoon, Noosa and the Sunshine Coast, Byron Bay and Port Macquarie. Imagine the lifestyle!!

The LiveLife Pharmacy network is expanding every year and are always seeking to find pharmacists who are also looking to join LiveLife in future Pharmacy partnerships. If being a Managing Partner is a future goal for you please apply for a LiveLife internship today!
